

WINNICA TURNAU Rose 2023

WINE DESCRIPTION

A rosé wine created from the combination of several red varieties, including Rondo, Pinot Noir and Regent. The nose is rich in the scents of summer red fruits: raspberries, strawberries, ripe cherries and rhubarb. The wine is juicy and refreshing thanks to the pronounced acidity and the aftertaste reminiscent of red grapefruit.

WINE AROMAS

strawberry, rhubarb, cherries

TASTE OF WINE

red apple, citrus

FOODPAIRING

fish, poultry, seafood, sushi, oriental cuisine, salads, grill

VINIFICATION

Fermentation and aging in a stainless steel tank.

AWARDS (ALL YEARS)

Polish Corks 2024 - gold
Polish Corks 2023 - gold

TERROIR

Winnica Turnau is located in Baniewice, in the southwestern part of the West Pomeranian Voivodeship. This unique region is influenced by air masses from the Atlantic Ocean and the Baltic Sea, as well as the proximity of the Oder River. All these factors shape a climate characterized by a long growing season, warm summers, and mild winters. Such conditions favor the cultivation of demanding grape varieties, allowing them to reach optimal ripeness while maintaining high acidity. Our region is distinguished by a rich network of oxbow lakes, gently rolling moraine hills, and an abundance of flora and fauna. The vineyard is situated on a moraine hill, where the predominant soils are sandy-clay, clay, moderately compact, and moderately permeable. This terroir, combined with ecological viticulture, results in grapes of exceptionally high quality.

WEATHER DURING THE GROWING PERIOD

The winter of 2022/2023 was frosty with moderate snow cover. The beginning of spring was frosty, but vegetation started a little earlier than in recent years. May was cool but dry, frosts surprised at the beginning of June. Summer 2023 was very rainy, especially at the end of fruit ripening, which increased disease pressure and forced a large collective selection. The autumn was moderately warm, with heavy rainfall from the middle of the harvest. The harvest started on time.
